Should our school have a student art wall? · Questions 35–39

In Poppy's class, some students want the school to have a student art wall. Supporters say it would give children a useful choice and could make break times more interesting. They also suggest starting with a short trial so the school can see how well the idea works. Other people worry about cost, space and supervision. These concerns matter, but clear rules and a small trial could solve many problems. For these reasons, I think the school should test a student art wall for one term before making a final decision.

35 What is the writer's opinion?

- A** No decision should ever be made. **B** Every school must use the idea immediately.
C The school should trial a student art wall for one term. **D** The school should ban a student art wall forever.

36 What benefit do supporters mention?

- A** It would create more classroom space. **B** It could make break times more interesting.
C It would remove every school rule. **D** It would need no supervision.

37 Which concern is mentioned?

- A** cost **B** weather forecasts
C book covers **D** bus timetables

38 What does **concerns** mean here?

- A** instructions **B** answers
C worries **D** celebrations

39 Choose the two problems the writer says clear rules may help solve.
